

SIPRNET account access is predicated on academic need-to-know while assigned to the NWC. Previous assignments do not normally form the basis for a NWC SIPRNET account. Therefore, the great majority of NWC students will have no need for control of classified information or access to the SIPRNET. However, a limited number of individual SIPRNET accounts will be issued to students who have a bonafide need. The Security Office handles all requests and will require a positive endorsement from the academic advisor, seminar moderator, or the Dean of Students, as applicable.

### Parking

Parking at NWC is limited and there are insufficient spaces to accommodate each individual's vehicle; therefore, carpooling is encouraged. Covered parking is provided in semi-enclosed garages beneath Hewitt Hall. The Hewitt garage is designated for STUDENT (yellow stickers) parking, and contains a number of open as well as carpool-designated spaces. Conolly/Spruance P-1 level is designated for STAFF green stickers, official vehicles and medical. Conolly/Spruance P-2 level and the alleyway between Luce, Mahan, and Pringle Halls are designated for STAFF blue stickers and STAFF CARPOOL parking only. Access to garages is gained from the rear (seaside) road. There is a smaller parking area in the McCarty-Little parking lot that is designated for STUDENTS, however the larger McCarty-Little parking lot is designated for blue or green stickers only.

Open parking is also available: In the Hampshire Field Parking Lot between Sims Hall and Gym 109; between the wings at Sims Hall; and behind Hewitt Hall. The spaces across from the main entrance on Cushing Road are also normally available; however, these spaces may occasionally be reserved for guests and VIPs. In these cases, signs will be posted to reserve the spaces. Annex D, a schematic of NWC parking, is included for reference.

### Fire Alarms

The telephone number for reporting fires is 911. Students must be familiar with location of exits and procedures to properly react to a fire. NAVWARCOLINST 11320.1 is available in the Dean of Students Office to orient the student in this regard.

In general, in case of fire:

- Be familiar with exits.
- Never fight a fire alone; always sound the alarm and alert others.
- Do not use elevators to leave the building.
